

Duxford Community Centre Photo/Video Consent for Events

At DCC events we occasionally take photographs or record videos and some of those may contain images of participating children and adults.

Being mindful of the safety of all individuals participating in our events, we would like to obtain your permission to post or print images of our events that may contain images of your child/children. Unless you expressly tell us otherwise, we may use images of adults without obtaining prior permission.

Safety is our primary concern. Please take the time to fill out the information below for your child or let us know if you do not want us to use your image.

Please note that we may show unidentifiable parts of your child's image, back of head, hand, leg etc. This is outside the scope of this permission form.
